

## 2006 Answer/MSR Racer Contingency Program Rules

12/23/05

1. Riders already on free product contracts with either Answer or MSR are not eligible for the Answer/MSR Racer Contingency Program. Riders on discount contracts may participate, but qualifying gear purchases must be made from a retailer, not directly from Answer or MSR.
2. Classes paid will be determined by promoter or sanctioning body for each participating series.
3. To qualify, you must purchase matching gear (pant, jersey, gloves) from the **2006 Answer Alpha, Alpha Air, Ion, Ion Girl, Answer Mode, MSR NXT, NXT Vented, Revolver, Revolver Cargo, Strike/Renegade, Strike Force, or MSR Starlet Women's** product lines.
4. Gear may be purchased either at a walk-in dealer or via mail order.
5. **One set** of gear purchased allows registration for **one class** in one series. Registration forms are sent out with series mailers, downloaded from club websites, or obtained at race signup.
6. Original receipt and registration form for the participating series you want to race in must be sent to Tucker Rocky for contingency points to be awarded.
7. Registered riders will be sent a coupon pack worth \$150 in discounts on Tucker Rocky Products. Coupons can be redeemed at any Tucker Rocky dealer, but NOT via mail order.
8. Riders will also be sent a **one-time** order form which allows purchase of up to \$200 (after discount) in Answer or MSR casual wear – priced at 40% off retail – directly from Tucker Rocky.
9. All coupons and casual wear orders must be redeemed by the expiration date.
10. Riders must compete in a minimum of 60% of the events in a series to qualify for contingency awards. To figure this number, multiply the total number of events by .6, and then round up. For example, a 6-race series requires a minimum of 4 races.
11. Registration forms must be postmarked no later than the date when only the minimum required races are left in the series. For example, registration for a 6 race series must be postmarked no later than the date of the 3<sup>rd</sup> race, no later than the 4<sup>th</sup> of an 8-race series, etc. Riders must remember that any races run before the date the registration form is received, do not count toward the qualifying 60%.
12. Promoters or sanctioning bodies are responsible for providing results to Tucker Rocky. Registered rider finishes will be tracked by our staff after receipt from series organizers.
13. The Answer/MSR Racer Contingency Program will pay contingency points to registered riders finishing in the top 5 of their class. A minimum of 7 riders must be signed up for a class for it to be eligible. In other words, if at least 7 rider's sign up for a class at any event in the series, then that class will pay contingency points for the entire series, providing it is included in the list provided by the sanctioning body.
14. Contingency points will be awarded as follows:  
  
1<sup>st</sup> – 25 points  
2<sup>nd</sup> – 22 points  
3<sup>rd</sup> – 20 points  
4<sup>th</sup> – 18 points  
5<sup>th</sup> – 16 points
15. Points earned will be tallied at the end of the series and converted to "Race Bucks" at the rate of \$1 (retail) per point. Contingency "Race Buck" certificates will be mailed to riders and may be redeemed in person at any Tucker Rocky Dealer for any merchandise distributed by Tucker Rocky.
16. All contingency "Race Buck" certificates will expire and must be redeemed by the expiration date, or they will be forfeited.
